Her mother was the second wife of Spencer Fulcher. Trudie and Troy were the children of Spencer and his first wife, \_\_\_Hill. There were six children from the second marriage to Annie Cruise, my father being one of them. I don't know if Troy was born in VA, but I think it quite likely, as he did spend his childhood there I believe. He lived in NC as long as I knew him, perhaps moving there as a young man. His only child was Katherine, who now lives in Mt. Airy,NC  
-married name is Haffelt. I don't know about Spencer's first wife, but have done a little work on the Cruise family. Spencer was the posthumous child of a Civil War soldier from Patrick County,VA who dies in Elmira,NY in a confederate prison camp. > > ==== FULCHER Mailing List
