

Baked Beans

By Beth Jones

1-lb. Hamburger, with chopped onions, green pepper.
(Cook in Frying pan until done – like making homemade Chili)

When done, mix with:

32-oz. pork & Beans,
1-cup Brown Sugar
2-tsp. yellow mustard
1-cup ketchup
Dash of Texas Pete (or equivalent Hot Sauce)
Dash of Worcestershire Sauce

Bake in 350° oven for at least 30 minutes (I bake longer).

NOTE: You can take 3-5 pieces of Bacon, cut in half, fry somewhat and, lay on top beans when cooking, as an extra item.
