

Quick Tartar Sauce

Phillip Jones

2 – 3 tbs. of Mayonnaise

1 Jar of Pickle Relish

In a Bowl mix two to three tbs. of Mayonnaise with sweet Pickle relish.

(I Prefer Kroger brand, but any brand will do.)

Add the Relish as needed, to sweeten and provided desired texture.

NOTE: You can substitute “sweet pickle” chopped up fine, and pour a little of the juice or syrup from jar into the Mayonnaise as your stir. (Not too much syrup/juice, as you don't wish for Sauce to be excessively sweet.
